

South Delta Secondary School

Please help keep Tsawwassen's SDSS 2019 Grads SAFE & 'DRY.'

As is tradition every year at South Delta Secondary School in Tsawwassen, DRY GRAD, a drug and alcohol-free all-night party is being held on June 7th, 2019 for the graduating class to celebrate this exciting milestone in a safe, secure environment.

The festivities include a formal dinner and dance, followed by a party that includes entertainment, a DJ, games, activities and prizes, including a "grand prize" draw, which in previous years has been a vehicle.

Planned by parents, and supported by the school and business community, this event aims to:

- Reduce the risk of harm to the graduates and the community at large
- Ensure that on this night, grads are not drinking abusing drugs, or engaging in high-risk behaviours
- Give our leaders of tomorrow a well-deserved memorable, celebratory fun evening
- Acknowledge and recognize the graduates' years of hard work and effort

THE GOAL:

To fundraise enough money to cover the costs with the goal being to hold a fantastic party that entices the graduates to stay all night for the festivities!

OUR ASK:

The cost and effort to hold this event requires the support of school parents, fundraising, the school, ticket sales, donations and support from the business community.

In an effort to keep the ticket price as low as possible (and affordable for all), we need to raise a significant amount of money for holding such an event.

We are asking for corporate sponsorships and donations to help support this cause, and to help lead our graduates to a bright future. **In return, you will receive:**

- Recognition on our Dry Grad website and at the event (for larger donations)
- Publicity from the Delta Optimist to acknowledge sponsors
- A positive connection with the future leaders of our community
- The knowledge your donation is helping to keep grads safe

DONATION FORM ON NEXT PAGE...

Corporate Sponsorship/Donation form for SDSS 2019 DRY GRAD

YES, I would like to support South Delta Secondary School's Dry Grad 2019.
